

First iteration

20th May 2006

Date: 23.01-2006

Participants: André Lindhjem, Kjetil Holien, Terje Risa, Øyvind Nerbråten

Current iteration: Our goals for this iteration:

- Find and test audio and XML libraries and existing code.
- Try to get audio playback to work.
- Learn to use Ruby.
- Learn to create a Debian package.
